Subject Re: Formation of IEEE Section in Ghana - Petition

History: This message has been replied to.

Dear Joe,

Thanks for your response to our proposal to work for the IEEE in Ghana. Attached is the petition with details of all petitioners. All the active members know and respect IEEE by-laws. I myself have established some IEEE chapters in Australia in the past.

**Rational behind the proposed IEEE Ghana Section:**

To uphold IEEE values, by-laws and promote IEEE and its related functions in the region below

**Territorial boundaries of the IEEE Ghana Section:**

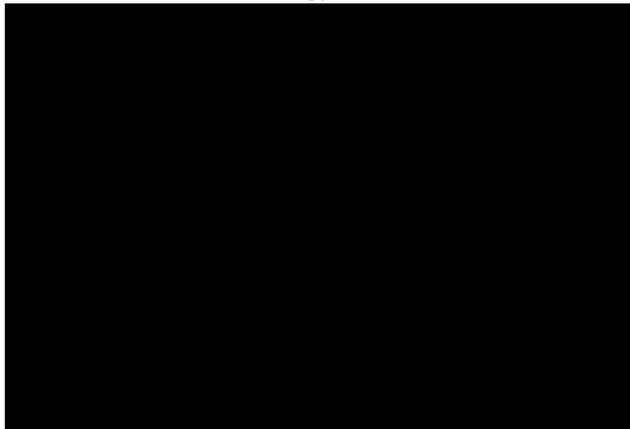

The entire region of Ghana (Ghana is a country in West Africa)

The attached document and above explanation should be enough for you to approve the section to we can inaugurate it in early July'08. Can IEEE send someone to talk at the inaugural ceremony?

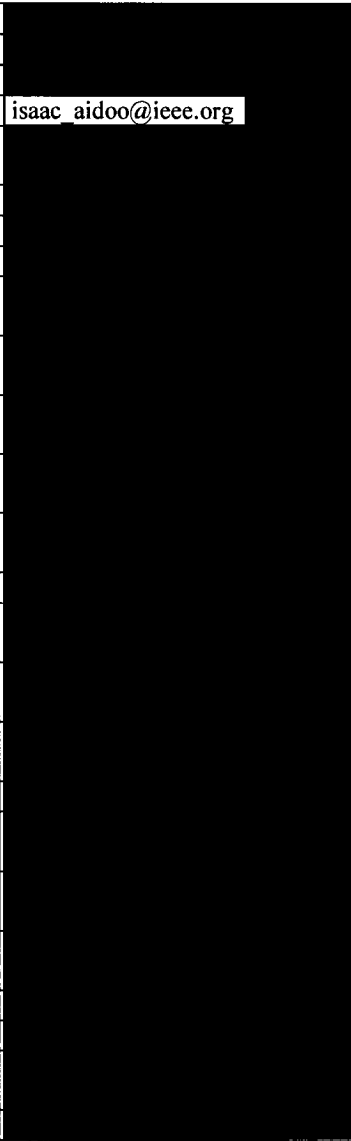

Thanks  
Amoakoh

Best regards,  
Amoakoh

Subject Ghana Section Leader

Dear All,

My apologies for the confusion about who submitted the petition for the Ghana Section. Initially, in 2007, Jonathan Amoako-Baah started with preparing a petition. He could not succeed in getting the required number of signatures.

Subsequently, about 4 months ago, I contacted the Ghana members again and then Dr Amoakoh Gyasi-Agyei took the lead and succeeded in getting the balance of petitioners. He will also be the Section Chair.

Best regards  
Gerhard

Hello Gerhard,

I filled a form given to me by a colleague, Charles Nartey, paid the dues through a bank cheque and mailed them together. I don't remember the exact date I posted them, but it should be about two weeks ago.

Thanks.

Dear All

In fact, we are currently short of ONLY 9 petitions to qualify to form a Section instead of a Subsection. The main reason is that some of the original petitioners either have membership dues in arrears or are student members. There are so many active members on Ghana who have been unable to response to this issue. Please kindly remind your colleagues to email me their response as soon as practicable. There are many ways to fix this issue:

- some of the student members can apply at the same time to elevate to "full" members
- members in annual dues arrears may pay their membership (if you have problem transferring the dues to IEEE then please do let me know so I look for help)
- gold student members (recent graduates) qualify to sign the petition

**P.S.** We tentatively plan the inaugural ceremony to occur in Accra someday in the time frame **1 - 14 July 2008**, but **NOT 11 July 2008 in Accra**. Please kindly email me your **day & venue** preferences (if any). This will help us make a schedule that is convenient for most of the prospective attendees. Surely, we can never find a schedule that makes every one comfortable. Hence, please your usual cooperation is being tested here :-)

Thanks for your kind cooperation and expect to hear from you soon.

Amoakoh

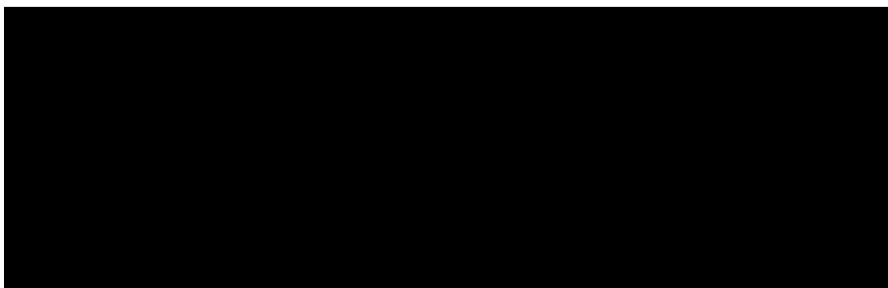

Best regards,  
Amoakoh
