Mr. Mark Bullock,  
Radio Station KFNF,  
Shenandoah, Iowa.

Dear Mr. Bullock:

We are pleased to inform you that the Board of Directors, at its meeting on September 9, approved your petition for the formation of the Omaha-Lincoln Section of the IRE, to include the following territory - all of the states of Nebraska and Wyoming and the counties of Lyon, Osceola, Sioux, O'Brien, Plymouth, Cherokee, Woodbury, Ida, Monona, Crawford, Harrison, Shelby, Audubon, Pottawattomie, Cass, Mills, Montgomery, Adams, Fremont, Page and Taylor in the state of Iowa.

It would be appreciated if you would advise headquarters as soon as the officers of your new Section have been elected so that this information may be properly posted in the PROCEEDINGS. Upon receipt of this information, we will send to the secretary, stationery supplies, application blanks, meeting report forms, etc., and to all of the Section officers a copy of the Section Manual.

In order to assist you in getting on your feet financially, we would be willing to send to you, in advance, a check for \$50.00, should you need this assistance. This \$50.00 would be deducted from future meeting rebates of the new Omaha-Lincoln Section, but we would continue to pay you your normal membership rebates. As you know, your Section will be entitled to a yearly rebate of ~~\$1.00~~ <sup>1.00</sup> per meeting, up to a maximum of ten meetings per year, and ~~\$10.00~~ <sup>10.00</sup> for each member, except Students, up to and including seven hundred, and \$1.15 for each member, except Students, over seven hundred.

Very truly yours,

Mr. C. D. Robison, Operating Engineer,  
Metropolitan Utilities District,  
Omaha, Nebraska.

Dear Mr. Robison:

I am pleased to inform you that the Board of Directors of the Institute at its meeting held on January 21, 1925, authorized the organization of a Section of the Institute at Omaha, Nebraska, to be known as the NEBRASKA SECTION OF THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS.

The procedure to be followed is to issue a call for a preliminary meeting for the election of officers; only the petitioners are entitled to vote at this meeting. The officers to be elected are a Chairman, a Secretary-Treasurer, and an Executive Committee, and such others as the Section may deem desirable. The enclosed copy of suggested by-laws, which have been prepared for the guidance of Sections, may be of assistance to you in getting organized and in framing a set of by-laws for the government of the Section.

We also enclose for your information and guidance copy of a circular letter issued last fall to the Chairmen and Secretaries of all Institute Sections, containing information relating to the routine work required by the Institute. A supply of the forms referred to in this letter is being mailed to you.

Will you kindly forward the names of your newly elected officers immediately upon their election, so that our records may be complete?

With best wishes for the success of the Nebraska Section, I am

Very truly yours,

N:Mc  
Encl.

Secretary.

## DEPARTMENT OF ELECTRICAL ENGINEERING

January 10, 1925

Dear Mr. Hutchinson:

Referring to Professor H. B. Smith's letter to you dated Dec. 31, 1924, regarding the organization of a Nebraska Section of the Institute:

I am strongly in favor of the organization of such a Section. It seems to me that our members in the large thinly settled areas of the United States should be given every opportunity to form such Sections in all cases where the number of members is sufficient to insure a reasonable amount of interest and activity. Therefore, I should be glad to see a Nebraska Section organized.

Very truly yours,

Henry H. Henline

Dear Mr. Hutchinson:-

I am enclosing a petition asking permission to organize a Nebraska section of the A.I.E.E. signed by thirty eight men who are now members of this organization and who reside in Omaha, Lincoln, Nebraska, or in Council Bluffs, Iowa.

One of the principal reasons for desiring the organization of the Nebraska section is to permit of affiliation as an organization with the Engineers Club of Omaha, and in this way obtain representation for the electrical engineers of Omaha in the club.

We believe that the organization of a local section will advance the objects of the A.I.E.E. and permit of obtaining a larger membership in this territory. If this request for a new section is granted, please send ten or twelve application blanks for membership in the A.I.E.E., it being our purpose to make a determined effort to obtain new members.

Very truly yours,

Dear Dr. Sharif:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the IEEE Nebraska Section – Communications Society Chapter has been formed. The effective date of this Chapter formation is 22 July 2003.

At this time, we are recording you as the Interim Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,
