Dear Sir:

We are interested in your movement to start a Discussion Group on Radio Interference. Please let us know when the first meeting will be held. If we can help in any way prior to the meeting, just call on us.

Thank you.

Very truly yours,

REMINGTON RAND UNIVAC  
Division of Sperry Rand Corp.

Dear Milton:

We noticed in the March-April issue of "QUASIES and PEAKS" you are compiling a list of names in the New York area with the view toward organizing a Radio Interference Group locally.

Not only do we want to be sure to be on this list but we want to volunteer our services in organizing this Group in whatever way possible.

It sounds like a great idea and we wish you the best success.

Very truly yours,

METAL TEXTILE CORPORATION

Dear Mr. Kant:

I understand that you are compiling a list of people interested in forming a discussion group on the subject of "Radio Interference Problems" and wish to be included in your plans.

If I can be of any service, please let me know. My home address is 3577 Carrolton Avenue, Wantagh, N. Y., telephone Sunset 1-2568.

Very truly yours,

*Edwin S. Kesney*
