Mr. George W. Bailey, Executive Secretary  
Institute of Radio Engineers  
1 East 79th Street  
New York 21, N. Y.

Dear Mr. Bailey:

Enclosed is a petition for the formation of a sub-section of the Seattle Section of the Institute of Radio Engineers to be chartered at Richland, Washington.

At the January 11, 1954, meeting of the Executive Committee of the Seattle Section, it was moved and seconded that "the petition for the formation of a sub-section at Richland, Washington, dated January 2, 1954, be approved; and that this Richland sub-section include the Washington State counties of Benton, Franklin, Walla Walla, Whitman and Spokane." This motion was approved without dissent.

You will note that two of the signers, Messrs. Driver and Hardy, are not currently members of the Institute, although they have filled out applications and expect to be members shortly. Their signatures are not necessary for the minimum number of signatures.

The Richland group have a great deal of enthusiasm and have spent considerable time and energy in the preliminary work toward organizing the sub-section. I know they are anxiously awaiting your early action.

Yours very truly,

Kent R. Willson, Secretary  
Seattle Section
