Dr. Mohamed A.I. Turki

Dear Dr. Turki:

Thank you for your letter of June 20 regarding the Western Saudi Arabia Section. I appreciate your sending along the exchange correspondence with Mark Lucas, as it "filled in the gaps" in this process.

I am pleased to let you know that the name change (from Jeddah Section to Western Saudi Arabia Section) will appear on the Regional Activities Board Consent Agenda at the next meeting, scheduled for August in Denver, Colorado. In addition, we have amended the Section ByLaws which you provided to reflect this new name. A copy of the revised ByLaws has been enclosed, and will also appear on the Consent Agenda.

In addition to the change of name wherever it appeared in the Section ByLaws, we also changed Section 8, paragraph 1 to reflect annual elections, as specified in IEEE ByLaws 404.5, paragraph 7. If you have any questions about this, or any aspect of the ByLaws, please let me know.

As a clarification to the correspondence and Bylaws in file, please explain if the phrase (from your Section ByLaws, part 3a) "Rabigh, Tabuk and other towns within the geographical area of the Western Region of Saudi Arabia" is sufficient in your estimation to cover the more detailed description provided in your December 16th correspondence with Mark Lucas (copy enclosed). Tabuk Town seems clearly to be included; but are Abha and Gizan specified clearly enough for your satisfaction?
