## **RE: Section Reassignment – North Central Ohio Section to Columbus Section**

Dear Member:

Due to inactivity, the North Central Ohio Section has been dissolved. As a result of this dissolution, the boundaries of the neighboring Sections have been reorganized. Based on the preferred address on your IEEE membership record, you are now a member of the Columbus Section.

This change will make no difference in your membership status or service. You will continue to receive *IEEE Spectrum*, *The Institute*, your Society publications and subscriptions as before.

However, your new Section will be notified that you are now a member and you should begin to receive information from them about local IEEE activities. If the Section publishes a newsletter, you should begin to receive that newsletter in about 6 weeks.

If you would like more information about contacts within your new Section's leadership, or prefer to be affiliated with a Section adjacent to your new Section, please contact us at 732-562-5511 or email to [sec-chap-support@ieee.org](mailto:sec-chap-support@ieee.org).

Thank you for your continued membership in the IEEE.

Sincerely,

Tracy Hawkins, Manager  
Section/Chapter Support
