01 March 2007

Mr. Ralph R. Hogan, Jr.

Dear Mr. Hogan:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE Palouse Section has been approved. The effective date of this Section formation is 17 February 2007.

The IEEE Section's boundaries are defined as:

Counties in Idaho – Clearwater, Latah, Lewis, Nez Pierce  
Counties in Washington – Asotin, Garfield, Whitman

We have recorded you as the interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

The following Technical Chapter will be re-assigned to the Palouse Section.

- Palouse Section Society Chapter, PE31 (Power Engineering)

In celebration of this Section formation, RAB has agreed to provide \$2,000 USD to your Section. These funds are to be used by your Section in support of IEEE related activities. These funds will be transferred to your existing Concentration Banking Account.

In subsequent years, your Section will receive funding from the Regional Activities Board on an annual basis, provided that the required reporting is submitted: (1) Current Officer Report (2) Annual Financial Report and (3) Meeting Activity Report. For more information on required reporting, please go to <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>.

Mr. Ralph R. Hogan, Jr.

Membership growth is important for a Section's vitality. We highly recommend that you identify a volunteer to be responsible for your membership development activities. IEEE will provide critical support to help you meet your membership goals. Your Section will receive a Membership Recruitment Kit containing IEEE membership brochures, applications, and other promotional materials. The kit will also include a membership development manual, where you will find best practices and tactics for coordinating successful, local recruitment and retention initiatives. Resources for membership development can be found at <http://www.ieee.org/md>.

Please contact Regional Activities Section/Chapter Support staff if you need additional assistance ([sec-chap-support@ieee.org](mailto:sec-chap-support@ieee.org)).

We extend our best wishes for the successful operation of this new Section.

Sincerely,

From: Loretta Arellano, Director – Region 6  
Subject: Approval of elevation of the IEEE Palouse Subsection to Section

---

A petition was submitted with over fifty (50) qualified signatures by Ralph R. Hogan, Jr., requesting the elevation of the IEEE Palouse Subsection to Section in Region 6.

The boundaries of the IEEE Palouse Section will be the zip codes as noted on page 2 of this document. This includes the following counties:

Counties in Idaho – Clearwater, Latah, Lewis, Nez Pierce  
Counties in Washington – Asotin, Garfield, Whitman

The rationale for the Section formation is “to support the needs of members in our vicinity”. “We intend to work together with the IEEE Spokane Section on activities that will benefit both groups”.

**Recommended Action:** The Regional Activities Board to approve the elevation of the IEEE Palouse Subsection to Section (Region 6).

**Financial Impact to RAB:** Funds have already been included in the Section Rebate budget.

**Financial Impact to Region:** None
