Dear Mr. Kant:

We are beginning to plan our participation in the technical program at next years (1962) IRE Convention. As in the past several years, PGRFI has assumed responsibility for the technical session on RFI. This program is arranged by a session organizer (Mr. J. F. Chappell in 1961) who is a member of the Technical Program Committee for the IRE Convention.

The session organizer has the task of finding a session chairman and of planning a suitable program for the session. He also represents the PGRFI on the Technical Program Committee where the details of the overall technical program for the Convention are worked out, space assignments made, etc. It is desirable therefore that the session organizer be in a position to attend the meetings of the Technical Program Committee which are held in New York.

The purpose of this letter is to solicit nominations for a session organizer. We would also appreciate receiving your suggestions for a session chairman and for the program. Your suggestions will be turned over to the session organizer to help him in his job.

Sincerely yours,

Herman Garlan
Meetings Chairman, PGRFI

Dear Mr. Kant:

I have received a petition nominating you to membership on IRE-PGRFI Administrative Committee for a three-year term beginning July 1, 1962.

No biography was sent in with the petition~~s~~. According to the by-laws "15 PGRFI members signatures together with a short (not more than 100 words) biography listing the affiliation and background of the individual nominated" shall be submitted.

In order to save time I am writing you directly for your biography.

Very truly yours,

W. E. Pakala
Ch. of Nominating Committee
