TO: Members of the Technical Papers Committee, PGRFI

FROM: R. M. Showers, Chairman

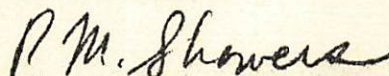

Gentlemen:

In view of the fact that a large number of members of the Technical Papers Committee will be present at the Armour Conference, I suggest we attempt to get together at 5:00 P.M. on October 6, at the end of the first day's sessions. The meeting will be held in my room at the Del Prado Hotel. The agenda is as follows:

1. Decision as to whether or not we should republish in the Transactions papers presented at the 1959 National IRE Convention, which have been printed in the Convention Record.
2. Topics which should be featured in future issues of the Transactions.
3. Procedures for encouraging more authors to submit papers.
4. Program for the 1960 National IRE Convention.

I would appreciate having, from those of you who cannot attend, your suggestions with regard to these items. It would be desirable to have these before the end of this week, so they will be in hand for the meeting.

Sincerely yours,

R. M. Showers, Chairman  
Technical Papers Committee, PGRFI
