Richard M. Aseltine

Dear Mr. Aseltine:

Enclosed is our petition to become a section. Also attached is the zip codes presently included in the subsection plus zip 77017 which includes two members of the executive committee. We plan to make a telephone survey of that zip and the 77520 and 77521 (Baytown) zips per Houston request. We will inform you of the results of the survey. The bylaws presently governing the Clear Lake subsection were changed to say Galveston Bay section and are also included. I believe that meets all the IEEE requirements to become a section.

At present we have not contacted the Freeport subsection as to our plans. It looks like we will not satisfy all the requirements so there will be some hard feelings between the sections. One of the things they are really against is giving the Galveston Bay any money. So I think that subject should not be pressed.

I just received a call from Roland Hurter and I have agreed to an October 24, 1979 meeting to discuss the formation of the Galveston Bay section. Dr. Vines has been invited to attend.

Sincerely,

*Andy Lindberg*

Miss Emily Sirjane, Manager  
Member Services  
IEEE

Dear Miss Sirjane:

Your letter of January 7, 1972, stated that your records show that the Clear Lake Sub-section Officers serve on a calendar year basis. This was true prior to January 1, 1971.

In an Executive Meeting held November 9, 1970, the Executive Board approved a change in the term of office. Effective June 1, 1972, officers will serve from June 1 to June 1. The interim officers beginning their term on January 1, 1971, would serve through May 30, 1972. This change was subsequently approved by the general membership at a meeting held November 10, 1970.

Attached is a copy of the minutes of the Executive Meeting held November 9 reporting the change in term of office.

The form provided with your letter of January 7 will be completed and forwarded to your office following our election to be held this spring.

## CLEAR LAKE SUBSECTION

### MINUTES OF CLEAR LAKE SUBSECTION EXECUTIVE MEETING OF NOVEMBER 9, 1970

The Executive Meeting was held at the Holiday Inn on NASA Rd. 1 at 5:15 p.m. Ralph Sawyer, Subsection Chairman, called the meeting to order and presented the agenda.

The names of the nominating committee for next term subsection officers were presented. These names were:

Max Engert	NASA
John Gorman	Philco Ford
Paul Howley	GE
Tex Fancher	Boeing
Roy Lang	Lockheed
Bill Klenk	TRW

It was noted that time for election of new officers was short if an orderly transfer is to be insured. Therefore, a meeting of the Nominating Committee was called at 5:15 p.m. on November 10th, before the subsection meeting.

It was pointed out that the section officers serve from June to June, rather than from January to January as we do. Discussion ensued relative to the merits of the two transition times. The January changeover works a severe disadvantage on the new program chairman, it was observed. A motion was made to keep the January transition. The motion failed to carry. Then a motion was made and seconded that:

1. The by-laws be reviewed relative to changing the time of officer election.
2. The question be put to the membership at the November 10th meeting, by-laws permitting.
3. It be the recommendation of executive committee that the June date be adopted and that this be implemented by the next slate of officers serving 17 months.

The motion carried, a quorum being present.

Ralph indicated that he had contacted Dr. Rochelle, Chairman of the National Telemetry Conference (NTC) relative to commitment to the Shamrock Hotel for the NTC '72. Dr. Rochelle insisted that there was no firm commitment. However, from the discussion, Ralph felt that there was really a moral commitment.

Additional NTC information was handed out and a discussion of the event followed. It was felt that there should be a NTC '72 executive committee separate from the subsection, although it was understood the subsection must carry much of the load. The importance of early organization, of topic selection, of the ladies program and of timely publicity was noted. A desire to involve petrochemical, medical and oceanographic interests was expressed. No specific action was taken.

Minutes of Clear Lake Subsection Executive Committee Meeting  
of November 9, 1970

Page 2

The minutes of the last meeting were read. No objection was voiced.

The treasurer's report indicated a resolution of the problem with the parent section. The subsection president and treasurer met with the section officers at their last meeting. A request was placed for \$500.00 in operating expense. Section objected to advertising other than in the Pocketscope, but could not make a strong case in view of its tardy arrival last month. Section agreed to pay the subsection \$42.00 per meeting.

The Arrangements Chairman stated that shortages from the September meeting had been satisfactorily resolved and presented an accounting to the Chairman. The December meeting will involve a bus trip to Galveston. In view of this expense it was indicated that checks would be required with reservations.

The meeting was adjourned.
