To: David A Hodges <[hodges@eecs.berkeley.edu](mailto:hodges@eecs.berkeley.edu)>

Hi David,

The Oakland-East Bay Section agreed to sponsor the proposed Milestone at Berkeley for "First RISC Microprocessor." We approved \$800 for the plaque. We understand that the EECS Department will cover installation cost and any other costs. If possible we'd like to see the final proposal in its submitted form.

Thanks,  
Kate.
