PGRFI, IRE

FROM : R. M. Showers, Chairman

DATE : January 13, 1961

A petition for the formation of a chapter of PGRFI within the Philadelphia Section has been approved by the Philadelphia Section. Before it can be acted upon by the IRE Executive Committee, it must be approved by the Administrative Committee of PGRFI.

Mr. Conrad J. Fowler, of American Electronic Laboratories, in Philadelphia is the organizer of this chapter. There are approximately 31 members of PGRFI in the Philadelphia Section.

If I do not hear from you to the contrary by Friday, January 20, I shall assume you are in favor of the approval of this chapter and will so advise IRE Headquarters.
