April 3, 1973

Mr. David Thorne, Chairman

Dear Mr. Thorne:

We are pleased to advise that the IEEE Regional Activities Board, at its meeting on March 28, 1973, approved the change in status of the New Brunswick Subsection (of the Canadian Atlantic Section) to a full Section to be known as the NEW BRUNSWICK SECTION. The territory of the new Section will be the same as for the Subsection, namely, the Province of New Brunswick, Canada.

We are changing our records accordingly. Unless you advise us otherwise, we are assuming that the current Subsection officers will serve as the Section officers.

We call your attention to IEEE Bylaw 402.2 which provides that within six months of its establishment each new Section shall have prepared Section Bylaws to be forwarded to the Regional Director for his approval, with a copy of these Bylaws sent to IEEE Headquarters for our records. IEEE Bylaw 402 outlines the Bylaw requirements.

Best wishes for the successful operation of the Section. If we can assist in any in the Section activities, please let us know.

Sincerely,

Emily Sirjane, Manager
