Dr. Subhas Mukhopadhyay

Dear Dr. Mukhopadhyay:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE New Zealand Central Section has been approved. The effective date of this section formation is 25 August 2007.

The IEEE section's boundaries are defined as: within postal codes 4xxx – 6xxx.

In celebration of this Section formation, RAB has agreed to provide \$2,000 USD to your Section. These funds are to be used by your Section in support of IEEE related activities. These funds will be kept in an IEEE Custody Account that has been established on behalf of your Section. IEEE Custody Accounts are holding accounts available to those Sections in Regions 8, 9, and 10 which have difficulty exchanging currency to pay for membership and other services at IEEE. You will receive information regarding this account in a separate message.

We have recorded you as the interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

In subsequent years, your Section will receive funding from the Regional Activities Board on an annual basis, provided that the required reporting is submitted: (1) Current Officer Report (2) Annual Financial Report and (3) Meeting Activity Report. For more information on required reporting, please go to <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>.

Dr. Subhas Mukhopadhyay

Membership growth is important for a Section's vitality. We highly recommend that you identify a volunteer to be responsible for your membership development activities. IEEE will provide critical support to help you meet your membership goals. Your Section will receive a Membership Recruitment Kit containing IEEE membership brochures, applications, and other promotional materials. The kit will also include a membership development manual, where you will find best practices and tactics for coordinating successful, local recruitment and retention initiatives. Resources for membership development can be found at <http://www.ieee.org/md>.

Please contact Regional Activities Section/Chapter Support staff if you need additional assistance (sec-chap-support@ieee.org).

We extend our best wishes for the successful operation of this new Section.

Sincerely,

Cecelia Jankowski

Subject: Re: Joint Section EMBS Chapter in New Zealand for your Section approvals

Hi Nathalie, thanks for your email. Great idea to form an EMBS chapter in NZ. The NZ North section exec has agreed to support this. We do feel it is important to have a group of people enthusiastic to take the EMBS chapter ahead; in our experience its hard for just one person, so we do encourage the formation of the team you suggest.

I, Bruce McDonald, IEEE member 07350028, Chairman the IEEE North New Zealand Section, reviewed the application for a new joint Section EMBS Chapter in the combined North and South New Zealand IEEE Sections. The petition has at least 12 signatures. The Petition has also a chapter organizer who is an EMBS member and belongs to the North New Zealand Section. The action has the approval of the North New Zealand Section Executive Committee.
