Subject Re: Your Petition to form the Russia Joint Sections IT Society
Chapter.

Dear Dr. Sergei Fedorenko,

First let me apologize for mixing you into the other petition I'm working on.

I have reviewed the petition and found that out of the 12 signatures, only 10 are fully qualified to sign. The specific issues are:

Victor Mushchenko's (40348832) Membership is in Arrears.

Viacheslav Davydov (80588512) is not currently a member of the IT Society.

There are two options to move forward:

1. Request both of the members listed above to resolve their issue by renewing their IEEE and IT Society Memberships.

or

2. You may identify 2 other eligible members that agree with the formation of this chapter. In lieu of their signatures on the petition, we will accept emails stating their agreement to the formation. These emails should include their IEEE membership numbers.

Please advise how you would like to proceed. Feel free to contact me if you have any additional questions or concerns

Best regards,

Joe Hale

Subject: Chapter transform

Dear Ms. Cecelia Jankowski:

On August 3, 2001 we had the splendid meeting in our Saint Petersburg Electrotechnical University with the team of Industrial Electronics Society Officers under the guidance of IES President Professor Ren C. Luo. They informed us about the IES areas and publications and we found that this Society is very interesting for our Chapter and all St. Petersburg IEEE community.

Our Chapter has now three active IES members. Therefore in accordance with the decision of our Joint Chapter meeting of February 19, 2002 we ask you to transform our

Aerospace and Electronic Systems/Computer/Electromagnetic Compatibility/Power Engineering Joint Chapter

in

Aerospace and Electronic Systems/Computer/Electromagnetic Compatibility/Industrial Electronics/Power Engineering Joint Chapter.

Proposed Chapter Officers are the next:

Chairman:

Alexandre G. Mikerov

Member #40180629

Vice Chairman:

Yuriy I. Sepp

Dear Peggy:

Sorry for not responding you earlier. The whole previous week I have been very much involved in holding the First International Workshop on Internet Technologies & Services in Moscow which were here co-convened with the IEEE

Communications Society. The event was a success. But I was out of my office

and had no access to my computer to send you a response.

Reference Your message of October 25 regarding the expanding of Power

Engineering Society Chapter in Saint Petersburg of the IEEE Russia Section

to include the AES, Computer and EMC Societies: the IEEE Russia Section Executive Committee supports and agrees to change its status to a joint chapter.

Reference Your message of October 28 regarding the formation of a LEO

Chapter within the IEEE Russia Section in Saint Petersburg: the Russia Section Executive Committee approves and agrees to form a LEO Chapter within

the IEEE Russia Section. By formation of this chapter the IEEE Russia Section will have 24(!!!) chapters.

I would appreciate if you inform me about Your final approval.

Thank you for Your continued assistance and cooperation.

With very best regards.

Sincerely Yours.
