Mr. Warren H. Chase
c/o Ohio Bell Telephone Company
750 Huron Road
Cleveland 15, Ohio

Dear Mr. Chase:

In recent conversations with Mervin Kelly, he expressed great interest in the two-man task force which we have established to look deeply into IRE-AIEE relations. He suggested that I should communicate the present status to H. I. Romnes, President of Western Electric, who has great interest in this matter.

In the meantime, Pat Haggerty advises me that Scott Hill is trying to get a joint effort going on the student member problem and is feeling some frustration because IRE is dragging its feet. I believe it might be wise if you were to advise Hill of the high-level effort that is now going on, pointing out that to the extent that this succeeds, it may greatly simplify his own efforts in the future.

With warm personal regards,

Sincerely yours,

L. V. Berkner
President
