54. Whenever, in the judgment of the Board of Directors, a sufficient number of Fellows, Members and Associates shall petition, in writing, these members may form, subject to the Constitution and all By-laws and regulations which may be hereafter prescribed by the Board of Directors, a Section organization for the purpose of more effectually carrying out the aims of the INSTITUTE.

EXTRACTS FROM THE BY-LAWS

SEC. 58. A petition for the formation of a Section shall be signed by not less than 25 members residing within the territorial limits hereinafter prescribed. The Board of Directors may decline to authorize the formation of a Section when in its judgment such an organization would not be compatible with the interests of the INSTITUTE.

SEC. 59. In the initial Section organization only petitioners shall have the right to vote.

SEC. 63. The territory of a Section shall include the locality naturally tributary thereto, but shall not include territory so remote or inaccessible that members cannot readily attend meetings. For the purpose of determining the maximum amount to which a Section is entitled under these By-laws, points more than sixty miles from the regular meeting place of the Section shall not be considered a part of that Section, except that, when special conditions warrant such action, additional territory within a reasonable distance may be authorized by the Board of Directors, upon approval of the Sections and Finance Committees. If adjacent Sections are so situated that the sixty-mile limit embraces common territory, the question as to which Section may claim such members as reside within this common territory shall if possible be decided by agreement between the Sections concerned, otherwise by the Sections Committee.

SEC. 64. In addition to INSTITUTE members the Section by-laws may admit other persons interested in engineering, who shall have all the Section privileges except those of voting and holding office.

FROM: Jalal Jalali, Chairman, IEEE Sharon Section
Electrical Engineering Department

Dear Mr. Benigni:

During the past several years, the IEEE Sharon Section activities have been centered in Youngstown, Ohio. The Executive Committee of the IEEE Sharon Section believes that it would be appropriate to change the name of the section from Sharon to Youngstown. Therefore, I would like to request your approval of this name change. Thank you.

Sincerely,

6 June 1996

Dear Chairman Jalali:

I wanted to confirm to you that Region 2 Director Dan Benigni has given his ok to change the name of the Sharon Section to the Youngstown Section. This change became effective on 5 June 1996 and the name of the Section is being changed on all IEEE records.

Since there are no other changes, such as boundaries, this did not require RAB approval but RAB will be notified of the change in the Managing Director's report at their upcoming meeting in Montreal.

At your earliest opportunity, the Executive Committee of your Section should remit revised Bylaws to RAD (please send them to Gail Leeman, Bylaw Coordinator, Regional Activities Department, IEEE, Inc. 445 Hoes Lane, PO Box 1331, Piscataway, NJ 08855-1331). This might be an optimum time for your ExCom to review the Bylaws in their entirety to see if any other changes are appropriate.

If you have any questions, please do not hesitate to let me know.

Thank you,

Jill Berman Levy
