Reply TO:
Mr. Herman Garlan
FCC - Wash. 25, D. C.

Dear Sir:

The Aeronautical Standards Group of the Departments of the Navy and the Air Force has asked the Professional Technical Group on Electromagnetic Compatibility (formerly PTG-RFI) to comment on MIL-B-5087 B dealing with Electrical Bonding. This document is a proposed revision of MIL-B-5087A(ASG) dated July 30, 1954. We are asked to forward our comments within one month.

Will you be kind enough to review the enclosed document and forward your comments to me at the above address so that I will have them by June 30. I will compile all the comments and forward on to the Aeronautical Standards Group.

Sincerely,

Herman Garlan
Chairman, PTGEMC
